eListening

eAudiobooks are a great alternative to books on CD. There is a great variety of content available, including all the latest Australian titles. The service is available 24 hours a day, seven days a week. RLQ subscribes to – Bolinda digital and Overdrive (QROC).

All you need is your RLQ library barcode and PIN to get started to create an account. Make your selection from the platform web address, or search for titles in the RLQ catalogue (<http://www.auroracloud.com.au/OPAC/QPIL>).

A free APP is available to download for each platform (Android and IOS).
