Queensland public libraries provide a range of books, audio kits and resources for tutors and adults needing literacy training.
What's available?
- Easy novels – mysteries, romances, science fiction – some available in audio format
- True stories and facts
- Workbooks for learning language skills, numeracy skills and life skills
- Tutoring advice books

Who can borrow?
Any Queensland public library member can borrow these materials. Adult Literacy books, audio kits and resource packs are suitable for use by students, tutors and public library members wanting to improve their literacy skills.

How to borrow?
Adult Literacy books can be borrowed in the same way you do other library resources. If your library does not have a particular book, you can ask the librarian to order it for you from the State Library of Queensland to arrive in 2-3 weeks.
